Re: April Quarterly Report RFAI & NGP/VAN

THE COMMITTEE, Elect April Freeman, recently switched from the NGP/VAN compliance filing application to Fecfile.

On two separate occasions, THE COMMITTEE requested that NGP/VAN, specifically through our point of contact, Mr. Sam Osborne, transmit THE COMMITTEE's April Quarterly Report in order to properly amend it.

On both occasions, NGP/VAN failed to transmit THE COMMITTEE's data.

Items 1 through 3 of the RFAI will be rectified immediately upon receipt of THE COMMITTEE's data from NGP/VAN.

In the interest of transparency and compliance, the ommitted debts and dropped loans specified in Item 4 continue and will be included in the amended April Quarterly Report.
